CARMELLA LET'S PLAY

When it comes to sex, I like to let the man be the man. He can take control and initiate it physically. I'm happy being there to please him. But if I feel that I'm not getting pleased, I'll step up the volume and then he'll have to follow or he gets booted out of the bedroom. So, that has only happened once.

While you guys tend to focus on sex with your cocks, we women tend to use our mouths more for sex. It's pretty evident when we suck your cock, but you don't go down for us very long. But when you're with another woman, the mouth can be a much more sexual organ.

CAMILLA POOL PARTY

I just moved to a new neighborhood, and I hear the gossip about me being a MILF. Mostly it's my younger brother's friends and now some of the wives are saying it, too. I take that as a compliment, but I try not to flaunt it too much. Until the other day, that is. I have one hot neighbor that I'm going to invite in.

Alexa Wanna Fuck My Bald Pussy

I love my bald pussy. And guys like it, too. It feels extra sensitive right after I shave it and it gets me horny even faster. I shave it two times a week because I don't like the stubble. Neither do my sexual partners. I find that they are extra spunky when my pussy is baby-bottom smooth.

You can see by my pictures that I'm very adventurous when it comes to sex. I enjoy being man-handled by as many men as I can. Today it's only three, but trust me, there have been more. Although you may not believe it, one of them is my husband and the others are his friends. I like to know who's fucking me in my mouth, pussy and ass!

SOME QUALITY TIME TOGETHER

I told Kim I was taking Ashlynn out to dinner and we should be back about 10 pm. I would leave the side door open for her to slip in while we were out...

Ashlynn is in her mid-thirties, attractive, well-built and dressed in business casual. I had on my best suit and tie. We met for lunch at one the next day. We were led to our table and ordered drinks and food. I told her what I had to say would be very difficult, but in the business world you have to always think about what to get your wife for your anniversary. We've been married for five glorious years and it gets harder every time. Last year was a new car. For our fifth, it was a month q45in Hawaii. But I've been sweating this next one for a long time.

Before our lunch date, I decided to ask one of Ashlynn's co-workers, Angie, to come to dinner Sunday evening to try and get some information out of her that I could use. While I was in the kitchen getting our drinks, they were in the living room watching television. I walked into the living room just as the TV camera scanned a panel of stewardesses on a news show. I said, "Some of those girls really look cute. I never get any that good looking on any of my flights." That seemed to get them talking more about women.

I turned around and headed back to the kitchen after giving them their drinks. I heard Angie ask Ashlynn 'just between us girls' if she had ever had a different sexual encounter? Something other than a guy. Ashlynn said she hadn't. I strained to hear what they were saying. Unfortunately, I couldn't make it out in their hushed tones. Ashlynn said, "Shhhhh, Kory's right in there. He might hear us"

I looked between the doorjamb and the door's edge. Ashlynn nodded her head 'yes,' and said, "but only if I was involved." Then I thought I heard Angie say, "It's Kim, the new legal consultant." I walked back into the room and Ashlynn continued as if it was girl talk, but by now I got it. "I have never had that much to do with her department. She's not around that much, but there is some talk about her." "What? Tell me." Ashlynn says. "They say that she goes both ways. But I've never talked to her." says Angie. The next day Angie called me to say Kim was in the office this week and that I should call her with something about Ashlynn and feel her out. I had a couple ideas, but how was I going to get this Kim to our house? How was I going to bring it up about a threesome? I continued to devise a plan over the next few days.

"Hello, this is Kim Holmes speaking." came the rather professional sounding voice on the other end. "How may I help you?" she said. "Kim, this is Kory James, Ashlynn's husband. Would you have a moment speak with me?" "Yes Kory. What is it?" "If you have the time, I'd like to discuss it over lunch tomorrow. My office is just a couple blocks away. And I thought we could meed at the downtown Mosaic Club.

WorldMags.net

My cock wasn't ready to quit. Just watching these ladies totally naked with their gorgeous boobs lay there cooing and touching each other made my cock come back to an erection.

"Well okay, I guess that will be fine. I have a 2:00 meeting so I must be back by then." she answered. "That will be fine, I'm sure we'll be finished well before then." I said. That entire night I tried to figure out how to bring up the subject of her doing a threesome for our anniversary. She's a complete stranger and to ask something like this is very risky for my wife's employment.

Now it's noon the next day. Time to make it happen. I explained how awkward it was to be there but my back was against he wall and she was the only one I knew that could possibly help. "Well, Kory, spill it, tell me what it is. You've kept me guessing for the last half hour." she said. "Okay Kim," I said taking a big gulp of wine. "I'll be right up front – I understand that you're bisexual." She sat back abruptly in her chair. Cornered, she said that she was and had always been. "But how is that a concern of yours?" she asked me. I told her my anniversary gift woes and wanting to surprise my wife with a three-way and I didn't know how to find a willing partner. "And you want me to do it?" She asked. "No, that's not my intent. I was just wondering if you knew anyone that might consider this with us."

She visibly relaxed and called for the check. "Please let me think on this for a day and I'll get back to you. You don't mind if I look up Ashlynn at the office, do you?" "No, no. Please do." I said and handed her my business card so she could call me. A couple days passed and I though Kim had blown me off. Then as I'm wrapping up my day, the office phone rings and it's Kim. She apologized for calling later than sooner but the job, you know. I told her I knew exactly how that was. Then she asked "Is she totally straight? Sexually, I mean." "Yes she is. She's never been with a woman, but has expressed an intrigue about it for many years and now I'm getting around to doing something about it." I replied.

In a very business-like demeanor she asks how long we've been together, how long married, if I had ever cheated on Ashlynn, etc. I felt like I was getting a good grilling, but I understood the circumstances and answered all her questions. At the end, she said she would like to do it. She saw Ashlynn at work and thought she looked like a sweetie. We talked on and devised a plan for that Friday night, our sixth anniversary.

I told Kim I was taking Ashlynn out to dinner and we should be back about 10 pm. I would leave the side door open for her to slip in while we were out and as we were in bed having our anniversary fuck, she would sneak in and surprise us. She was okay with that and said see you Friday night. I got a woody just thinking about it.

Friday night Ashlynn and I talked as we always do over

our meals. We had a nice bottle of wine with dinner. While finishing dinner Ashlynn asked why I had such a devilish grin on my face. I shrugged my shoulders as if not knowing what she meant. We finished at the restaurant and headed home.

Spent from the long week, we took a quick shower together and jumped into bed. Ashlynn kissed me and I kissed her back with more enthusiasm. Ashlynn pulled the bed covers off of us. Her large, beautiful breasts were out and open for the taking. She reached down to my cock and lightly stroked him to full attention. I hadn't even touched her pussy yet but I could smell the heavy female pheromones coming from her loins. I threw the covers back to the foot of the bed. Ashlynn was on her back and still moaning in anticipation. I moved down to her honey pot to find she was slick with

WorldMags.net

her female moisture. That is always so good and tasty. I just plunged my tongue in as far as I could. She really started screaming then. This was Kim's cue. The first cunny scream. She snuck in quietly and replaced my tongue down there with hers. Ashlynn did not feel the change and continued enjoying her pussy being eaten. Kim dove right in and I laid back not moving a muscle and watching this lickfest in front to me.

Still on her back, I climbed her body and straddled her face, inserting my cock into her eager mouth. All of a sudden she realized I couldn't be licking and face-

fucking her at the same time. Because she was in no position to see down there, she surrendered to the feeling and let it roll. As her passion increased, she pushed my cock up and shoved my balls into her mouth. I felt her body squirm in the throes of sex, her legs opening and closing with Kim's attentions to her pussy. After a few minutes, Kim and I changed places. She finally got to see the her cunnilinguist. "Kim?" she moaned. Kim put a finger to her lips and got on her knees to sit on Ashlynn's face with her back to me.

I could hear her telling Kim to fuck her face. I grabbed Kim's boobs from behind and molded them as if they were pie dough. I reached down between Kim's butt cheeks from behind and felt for her butthole. She responded by lifting her butt a little, and in doing so pushed her pussy deeper into Ashlynn's face. Ashlynn screamed for me to fuck her and I shoved my cock at her saturated pussy lips. I gently pulled Kim off Ashlynn's face and laid her on her back on the bed. Both Ashlynn and I now got to see the most beautiful bald pussy. Ashlynn positioned herself between Kim's legs and pulling them open, planted her face into Kimr's pussy starting at her clitoris and working down to her butt hole. Kim lifted her butt and Ashlynn started licking her ass. She lubricated her finger in Kim's pussy and slowly worked it inside while licking her.

I watched with amazement not realizing my wife was so adventurous. Kim and Ashlynn switched to a sixty-nine. I had never watched two ladies having sex in front of me. My woody was aching to be used. Kim was on top and I got behind her and jammed my woody into her hot pink pussy as Ashlynn was licking it. Soon we were fucking in harmony. Every thrust in with my cock into Kim would thrust her tongue deeper into Ashlynn's pussy. I increased my speed and with one hard inward penetration I stopped just to feel Kim's cunt pulsate on my dick.

She looked behind her wondering why I stopped. I continued my pumping of her hole. I was about to empty my balls as she was about to cum as well. I started to shoot my wad, that triggered Kim to cum and Ashlynn was nearing her peak as we all came as one. We lay there for a while to catch our breath. My cock wasn't ready to quit. Just watching these ladies totally naked with their gorgeous boobs lay there cooing and touching each other made my cock come back to an erection. Kim turned to me and motioned me over with her finger. I knelt beside her and she started sucking my dick. She went all the way down to the base making slushy sounds coming back up. Ashlynn was fingering Kim's bald snatch in harmony with her sucking my cock.

Ashlynn smeared some of Kim's female juices around her asshole in preparation for me. I pulled Kim to her knees and on all fours and slowly stuck the head into her tight brown star and she squealed. One inch, two, three. She said a little faster and with each thrust I plunged in deeper. I had about seven inches in her dark circle and Kim was screaming for more. Soon I had my balls resting on her butt cheeks. I stayed there and flexed my cock in her ass. Ashlynn was getting off just listening to Kim as she threw herself backwards wanting all I had. I increased as fast as I could. I pinched her nipples hard. Kim squirted her love cum all over Ashlynn's hand. With one last thrust to the bottom, I shot my wad deep in her ass.

Saturday dawned with the three of us laying there in a pile of sweat and cum. It seems like none of us moved an inch all night. Now I feel the ladies stirring, as is my cock. I wonder whose pussy I should start with this morning? Any suggestions?

ADRIANNA LET'S GET BUSY

"I've been kicked out of a number of places for having sex in public. The latest one was at a Jacuzzi at the health club. They said it wasn't very healthy. "I've learned that most places will tolerate giving hand jobs and some even will look past my giving head, but when the dick goes in the pussy or ass, they draw the line. Booooo! I say!"

Yes I do. I want your sex, but since you're only a figment of my imagination, I need some real flesh and blood, not an imaginary one. KATRINA TAKE A LOAD OR TWO OFF

I'm the type of gal that wants to help her fellow man, or two. I'm ready and willing to help them release their loads. It's good for them and it's good for me too. I also hope that you'll release your load after seeing how I enable these two dudes to lighten theirs. There are many holes and positions to choose from, and we'll try them all. Just doing my civic duty.

you said what?

WHAT GOES UP...

As usual, I had been working late and the office was all but deserted, save the night crew and some security people. As usual, it was an elevator ride down forty floors by myself, but I had no choice. The bell rang to say the elevator doors were opening. When they opened, standing there was the new girl from the marketing department, which was on the floor above mine. Seems like some of them worked late hours, too. I was thankful for the company, and even more so when I saw how attractive she was.

She smiled and stepped aside for me to get in the elevator. "Hello." I said as I entered the elevator.

"Janine, isn't it?" she ventured. A bit surprised that she knew my name, I stammered, "And you are. . . ?"

"Bella." she said.

Having seen her before at company meetings, I had had a crush on this woman for a while and I found myself admiring her cleavage as it peeked from behind the folds of her blouse. Instinctively, I crossed my legs tight to keep from being overcome by the lustfulness her body inspired in me. I couldn't help it but my pussy was growing damper by the second. I hoped the elevator ride would be quick or I feared I might succumb to my baser sexual instincts.

The doors closed and with a jump the elevator thrust downward flinging Bella and me into the corner of the cab. We looked into each other's eyes and communicated our need without words. I ran my hands through her hair as I moved to kiss her. Roses and lilac fragrances lingered on her body, evoking images of lush gardens while I explored her mouth with my tongue.

Bella was right on it, too. She lifted my skirt and peeled back my panties to finger my moist pussy. I had no problems releasing her breasts from her pale pink sleeveless top. Her nipples were hard as candy and I greedily suckled them enjoying their sweet flavor. Bella's fingers encouraged the dampness between my legs as they plunged deeper into me and explored the walls of my pussy. The movements of her fingers were hitting nerves along my insides, sending waves of ecstasy throughout my being, and leaving me with no escape from the oncoming rapture. The tingling warmth fanned out from my clit to the tips of my toes as the pleasure shook me. The juices escaped my body in waves down Bella's hand and forearm.

Bella had begun to rub her swollen clit against my thigh and I could feel her nectar sliding down my leg. Her arms encircled my waist and pressed my body against her, grinding her pussy into my thigh harder. Her moans of pleasure were loud encouraging my desire. I ran my nails down her back while I moved my thigh up and down to drive her over the brink. Her hand pressed the back of my head; it forced me to devour her breast with teeth and tongue. The intermittent licking and biting of her nipple drove her wild as I thrust my finger inside

of her. She jumped forward from the sudden sensation of pleasure and I pulled her leg higher up on my hips to allow me better access to her moist canal. I slid finger after finger inside of her, opening her more and more until her pussy swelled with lust. I moved my fingers slowly in and out of her in circular motions pressing her engorged clit hard against my leg. I had her at my mercy, her only choice was to surrender her body to the pleasure it wanted.

Her body shuddered and I could feel her slippery juices envelope my hand as she steadied herself with elevator cab's rails. She released moan after moan while she rid my hand in a desperate attempt to continue the subsiding torrents of ecstasy.

I slid finger after finger inside of her, opening her more and more until her pussy swelled with lust.

After she was utterly spent, she lowered her leg and we smiled at each other as we straightened our clothes. Just as we finished the bell went off and the doors opened. The two of us stepped off the elevator into the lobby.

"Good night, Mr. Harris." We said in unison as we waved goodbye to the night watchman.

"You girls need an escort to your cars?" Mr. Harris was a caring person and he took the safety of the people who worked here seriously but neither of us wanted him along this time.

"Thanks, but we'll be fine." Bella said back to him.
We exited the tall building and stepped out into the night air and looked at each other. We knew there was more to be said but unsure as to what.

"I'll be working late tomorrow." I decided being as candid as I could after what just happened.

"Yes. I have a very large presentation due next week." Bella grinned at me.

"Yeah, me too. I have a big report to finish before the weekend." I smiled slyly back at her.

The two of us turned away from each other and headed to our cars. Can't wait for tomorrow.

THIS NOTE'S FOR YOU

I wrote some mindless words on a piece of paper until I came back to read them again the next day...

'It had been a long day. I sat on the bed reading the newspaper for about two hours today while you were at work. Not paying attention to the time, I came in and hopped in the shower. I didn't have time to get fully dressed and make dinner. You walk into the kitchen to find me wearing only a t-shirt with cotton panties; dinner is the last thing on your mind. I don't hear you walk in the door let alone the kitchen. I'm facing the stove, turning knobs off, putting lids on pans when I feel you standing close behind me.'

'I start to turn around and you whisper in my ear to stay put, as I feel your hands come up under my shirt and slowly run up my back, around my sides where you grab my breasts. I could feel your warm hands on my skin, I could feel your fingers twirling around my nipples, and I could feel the wetness in my pussy.'

'I relax into your arms and let my head fall back onto your chest. One of your hands slides up my neck over my chin, bringing your fingers close to my mouth. I kiss each one and slowly start lick-

ing them. You turn me around and start placing soft kisses on my face until your lips meet mine and we locked in a slow passionate kiss. Your arms slide down my back, under my shirt where instead of running your hands back up the inside, you bring my shirt up and over my head, removing my arms as you continue to kiss me.

I reach down and slowly unsnap and unzip your pants and let them fall off. Smiling like the Cheshire cat, I say, "Do you want to play with me?" I slowly walk away from you towards the kitchen table when you walk up behind me and slowly lean me over the table and trail your fingers down my back, down the crack of my ass, and hesitate just briefly before going further into the wetness you know is there.'

I continue to suck on your cock feeling it getting harder and harder and the next thing I knew, I felt your hot cum squirting into the back of my throat.

'Your fingers twist around in the wetness of my pussy and move up to my clit. You get me right to the point of ecstasy and pull your hand back the way you came. You slip your hard cock into my wet pussy just long enough to almost send me over the brink and pull out. Still standing up and bent over the kitchen table, I feel you slip your cock into my tight ass. It feels so good: within only a few minutes of fucking my ass we both can't resist the delight and the unexpected situation that we both begin to cum.'

'Still lost in the wave of passion, you slowly pull me up and away from the table. I turn around and just stare into your beautiful eyes as you kiss me more deeply than ever before, slightly pushing me back onto the table. You pull my body towards you with my legs so my ass is just sitting on the very edge of the table: the perfect height for fucking. Standing up, you slide your once-again-hard cock into my wet pussy that is throbbing so badly for more attention. I put my ankles over your shoulders and you hold onto my legs for leverage so you can fuck me. I couldn't believe it: I am finally getting fucked on the kitchen table. I have fantasized about this moment so many times and it's really happening. We both cum a second time.'

'I'm still trying to recuperate from my explicit waves of passion, the next thing I know you are all over my ass again: this time with your tongue. It was fucking amazing. Still lying on my back, you walk around and stick your hard cock into my mouth. You tell me you can see your cock in my throat. I reach up with my hand and bring your hand to my tits and tease you into playing with the nipples as I continue to suck. With my hand now free, I reach down and start rubbing my clit vigorously.'

I continue to suck on your cock feeling it getting harder and harder and the next thing I knew, I felt your hot cum squirting into the back of my throat. The taste of your cum triggered my own orgasm and I start to cum for a third time. One more time, we slowly recuperate and retreat to the bedroom for some well needed rest. Your chest is warm as I lay my head on it and we drift off to satiated slumber. Home cooking is so underrated.'

I decided to leave every word just as I wrote it. I relived the incident many times and pleasured myself while doing it. What better way to have the memory of our fuck than describing it in such detail that it seemed so real again.

PLEASE FUCK THIS ASS

So here you see me offering my ass, and warming it up. I want a nice big hard cock put into it and I see one over there out of the corner of my eye. I won't really know if it's right until I have a chance to suck it. My mouth is a good test for what will end up inside my bottom. If it's okay with my mouth, I'll guide it gently to my back door and welcome it in.
